

Sunday, April 27
1:00 - 3:00 PM

The David Traylor Zoo of Emporia is joining with more than 130 zoos and aquariums across North America to host a

This interactive, fun-filled party will give guests ideas of how they can make a positive impact on the environment.

Emporia Zoo Docents and those listed below will have stations located in the Zoo and Zoo Education Center.

Recycling trailer will be set up so you can bring your items (cardboard, paper, newspaper, glass, tin cans and plastic #1 & #2). There will be a drop off box for cell phones.

Green Door offers curb-side pick up of your recycling. Visit with them about your options.

Angela Anderson, the Twin Lakes WRAPS Coordinator of the Morris County Conservation District, will demonstrate the EnviroScape to teach the overall watershed concept.

Kelsey Fuller, the District Manager of the Lyon/Chase County Conservation District will have the Soil Tunnel Trailer which is designed to provide children and adults a glimpse of life underground.
